VIH Mentoring Program: Relationship Building

During the Retreats...

The retreats are a great time to connect with fellow cohort members embarking on similar experiences. Some people thrive in environments with new people, however, others may become overwhelmed. Mentee, what is your typical response to meeting a large new group?

- Mentor:
 - Describe your approach to interacting with fellow cohort members at the retreats.
 - Share any tips you have with your mentee
- Mentee:
 - After hearing about group dynamics at the retreat, what is your strategy to maximize relationship building?

Working with Your Campus Coordinator

They are an excellent resource to reach out to!

- Mentor:
 - Describe your approach to developing a relationship with your campus coordinator. How did you take initiative towards gaining marketing hours? What could you do better and what will you do differently in the future?
- Mentee:
 - What is your strategy to develop a robust relationship with your campus coordinator?

Communication: Don'ts

Hey Campus Coordinator,

I am actually not sure if I will have time to meet to review the experience report before it is due. Maybe I can send it to you by next week?

Tuesday: 11am-12pm or 2pm-3pm

Wednesday: 9am-11am or 3pm-4pm

Friday: 10am-12pm or 1pm-3pm

Please let me know if any of the above times work with your schedule to meet with me.

Like many things in life, you get out of VIH what you put into it. If you let it, this program will change you for the better!
